

The Rodin Roadmap Committee

Laurent Voisin

Development of the Rodin platform

Development used to take place in European projects:

RODIN (2004-2007)

DEPLOY (2008-2012)

ADVANCE (2012-2014)

Then switched to national projects

But missing coordination between various stakeholders

Hence the Rodin roadmap committee

The Rodin Committee

Initial composition

- Jean-Raymond Abrial
- Yamine Aït Ameur (IRIT, Toulouse, France)
- Michael Butler (University of Southampton, UK)
- Michael Leuschel (University of Düsseldorf, Germany)
- Dominique Méry (Université de Lorraine, France)
- Laurent Voisin (Systerel, France)

Two meetings so far

- June 2018: during ABZ 2018 at Southampton
- September 2018: Paris

Purpose: Coordinate activities of all people willing to contribute to

- The core platform
- The core plug-ins: Provers, theory plug-in, interfaces, etc.

Future of the Rodin platform

We wish to have an open participation to the Rodin ecosystem

Any kind of help is very welcome:

- Documentation (e.g., Event-B wiki)
 - http://wiki.event-b.org/index.php/Main_Page
- Answer to questions on the Rodin mailing lists
 - rodin-b-sharp-user@lists.sourceforge.net
 - rodin-b-sharp-devel@lists.sourceforge.net
- Case studies, recipes, modelling patterns, ...
- Code contributions
- Building project consortiums, student exchange, training, ...

Just let us know what you are willing to do

You can even join the committee to help us coordinate actions

Next meeting planned in March 2019

You are welcome to join anytime
