

## CALL FOR PARTICIPATION

The 14 th International MultiMedia Modeling Conference (MMM2008)  
January 9-11, 2008, Kyoto University, Kyoto, Japan

### General Co-Chairs

Kiyoharu Aizawa, University of Tokyo  
Noboru Babaguchi, Osaka University

### Program Co-Chairs

Shin'ichi Satoh,  
National Institute of Informatics  
Frank Nack,  
University of Amsterdam,  
The Netherlands  
Minoru Etoh,  
NTT DoCoMo Research Laboratories

### Organizing Co-Chairs

Yuichi Nakamura, Kyoto University  
Ichiro Ide, Nagoya University

### Finance Chair

Shigeyuki Sakazawa,  
KDDI R&D Laboratories

### Publication Co-Chairs

Toshihiko Yamasaki,  
University of Tokyo  
Hiroshi Mo,  
National Institute of Informatics

### Publicity & Sponsorship Chair

Naoko Nitta, Osaka University

### Asian Liaison

Yi-Ping Phoebe Chen,  
Deakin University, Australia  
Tat-Seng Chua,  
National University of Singapore,  
Singapore  
Yo-Sung Ho,  
Gwangju Institute of Science  
and Technology, Korea  
Wei-Ying Ma,  
Microsoft Research Asia, China

### USA Liaison

Shih-Fu Chang,  
Columbia University, U.S.A.

### European Liaison

Nicu Sebe, University of Amsterdam,  
The Netherlands

The International MultiMedia Modeling (MMM) Conference is a leading international conference <http://research.nii.ac.jp/mmm2008/> for researchers and industry practitioners to share their new ideas, original research results and practical development experiences from all MMM related areas. The conference features oral and poster presentations, supplemented by demonstrations and three keynote speeches by leading researchers.

### Keynote Speeches

Prof. Tsuhan Chen (Carnegie Mellon University, USA)  
Unsupervised Discovery of Objects and Object Hierarchy in Video:  
Content Extraction Made Easy

Prof. Shigeo Morishima (Waseda University, Japan)  
Instant Casting Movie System for Entertainment Revolution

Prof. Tat-Seng Chua (National University of Singapore, Singapore)  
A Unified MMM Model for Media Content Analysis and Retrieval

### Program

#### Jan. 9 (Wed)

9:45-10:15 Opening  
10:15-11:15 Keynote (Prof. Tsuhan Chen)  
11:30-13:00 Oral Session 1: Media Understanding  
14:00-16:00 Poster/Demo Session 1  
16:00-18:00 Oral Session 2: Creative Media

#### Jan. 10 (Thu)

9:15-10:15 Keynote (Prof. Shigeo Morishima)  
10:30-12:30 Oral Session 3: Visual Content Representation  
13:30-15:30 Poster/Demo Session 2  
15:30-17:30 Oral Session 4: Video Codec  
Banquet

#### Jan. 11 (Fri)

9:15-10:15 Keynote (Prof. Tat-Seng Chua)  
10:30-12:30 Oral Session 5: Media Retrieval  
14:00-16:00 Oral Session 6: Audio and Music  
16:00-16:30 Closing

### Registration

Visit <http://research.nii.ac.jp/mmm2008/> for information about registration and accommodation.

### Important Dates

Early Registration deadline : 19 Nov. 2007  
Online Registration deadline: 19 Dec. 2007  
Conference : 9 -11 Jan. 2008
