**Dry run**

The minutes and a pair of summaries of a question and the answer.

A governor or staff answer the question.

**Formal run**

The first and the last sentences of the original speech corresponding to each summary.

Evaluation: Recall, precision, and F-measure of the concordance rate of the first and last sentences.

**Segmentation task**

A speech of a member of assembly in the minutes and a limit length of the summary.

**Summarization task**

A speech of a member of assembly in the minutes and a limit length of the summary.

**Classification task**

A political topic and a sentence in the minutes.

For ROUGE scores, nagoya-01 achieved the best scores except some cases.
