

NTCIR TEST COLLECTION
Application Form
Instructions

You can apply for different Test Collections by one Application Form.

Students are not qualified for the Primary Investigator.

Please ask your supervisor to be a Primary Investigator of the project.

Undergraduate students are not qualified for the Contact Person (Graduate students are qualified).

Please enter the titles of the members in detail (associate professor or fourth year, undergraduate, etc., not Dr. or Mr. /Ms. only)

It is indispensable to register the e-mail address of the contact person on the mailing-list. If you would not like to register your e-mail address, please check in [] before it.

Please notify the e-mail address whose domain is the name of your organization, if you have it. If it is convenient for you that we send e-mails to another account, please let us know.

Regarding 'Purpose of Use', please inform us in detail, not 'research purpose' only.

It is indispensable to fill in 'Publications related to the research which you will do'.

The application form must be sent by e-mail to ntc-secretariat@nii.ac.jp
