

Notices on the Use of “NTCIR-3 SUMM: Summaries” Data

April 15, 2003

National Institute of Informatics

This document describes notices to the users of “NTCIR-3 SUMM: Summaries” data in accordance with “National Institute of Informatics Data Sets Terms of Uses”.

1. Combined with “Japanese newspapers (Mainichi Newspaper, 1998-1999)” data, the “NTCIR-3 SUMM: Summaries” data can be used as “NTCIR-3 TSC Test Collection”.
2. Users other than NTCIR Workshop participants should follow the instructions described on the following URL for obtaining the “Japanese newspapers (Mainichi Newspaper, 1998-1999)” data:
<http://research.nii.ac.jp/ntcir/permission/perm-en.html>
3. The “NTCIR-3 SUMM: Summaries” data consists of summaries of newspaper articles included in the “Japanese newspapers (Mainichi Newspaper, 1998-1999)” data, however, the National Institute of Informatics has created the summaries, and the rightful holders of the “Japanese newspapers (Mainichi Newspaper, 1998-1999)” data under the Copyright Law are not responsible for the content of the summaries.
